Juror Misconduct: Guiding Jurors on Appropriate Procedures

Having just served on a jury in your court, I would appreciate your instruction on handling the following situation

If a juror has violated instructions, e.g. conducted his own investigation, can the jury communicate this to the judge? What help is available to the jurors? Can such a juror be removed from the jury? ??

Thanks!

Juror Misconduct: Guiding Jurors on Appropriate Procedures

- 
- Proposed MCJI:
"During your deliberations you may not communicate with persons outside the jury room (other than the Judge), by any means, including cellular telephones or other electronic devices."
 - Suggest language to replace first phrase:
"During your jury service..."

14

Juror Misconduct: Guiding Jurors on Appropriate Procedures

- 
- Proposed MCJI continued:
"If you discover a juror has violated my instructions, you should report it to me."
 - Suggest adding the word "immediately" at the end of the above sentence.
